Dear Prospective Resident(s):

Thank you for wanting to live in our community. **Please have everyone 18 years of age or older fill out a separate application.** Everyone, 18 years of age or older, living in the home needs to be approved in order to live in the home. We will check each applicant's credit report, (a social security number is needed for this), employment history, previous and present landlords, court records, and any other necessary information. Applicants cannot have a felony conviction on their record if they are to be considered for residency. An applicant with a misdemeanor will be considered on a case-by-case basis. **Along with the completed application, please send a copy of a photo ID (ex. Driver's license) and most recent pay stub(s) for each applicant.**

We will be looking for a **6-month satisfactory reference from your current landlord, a 1-year satisfactory reference from a past landlord, a satisfactory credit report from a credit bureau, stable employment history, and monthly income of 3 times (3x) the rental amount.** If no or insufficient landlord references are available, then a satisfactory personal reference (such as teachers, coaches, or ministers) may be acceptable. On the credit report, we are reviewing payment history for credit cards, bank loans, student loans, etc., and that the applicant does not have collections, bankruptcies, tax liens, etc. In regards to **required income, an example** would be, if someone looks at a home that rents for \$750.00 per month, the paystub would need to show a gross monthly income of \$2,250.00 or weekly income of \$562.50. If there is only one person applying, then that one person needs to have income of at least \$562.50 gross per week. If there is other income such as child support or disability, this can go towards the needed \$2,250.00 requirement, but proof of this income needs to be included. If there are two adults with income, then we look at the joint income to reach the required \$2250.00 per month or \$562.50 per week. A weakness in any of these areas may cause us to disapprove the application.

In order to expedite the application, **please respond to every question.** If the answer is "no" or does not apply please write "no" or n/a in the space provided. Leaving questions blank will slow the process. If you have any questions when completing the application(s), please contact me.

When the application(s) has (have) been completed, please attach a **money order** (no personal checks accepted) for \$25.00 per application and mail to the above address. You may fax or e-mail your application to us at 717-597-9571 or eckrentals@gmail.com. However, you need to **also put the original documents and money order in the community mailbox.** We will start the process, but **we cannot give you the results until we have received the original application and money order.** Please allow **one week** for us to check the application. We will call you when the process has been completed.

There are rules and regulations for the community. Before completing the application(s), please read these rules and regulations to ensure that you can live by these expectations. A copy can be found posted in the community at the mailbox and on our website or you can get a copy from the homeowner, sales rep, manager, or by contacting the office, 717-597-2607. A signed copy of the rules and regulations must also be returned to us.

Rental of home: NO pets allowed except for a service animal with proper documentation.

Security Deposit and first month's rent: if approved, these will need to be paid at the time of signing the rental agreement. Being able to also pay the rent in full prior to moving in, shows that the applicant is financially responsible and that is helpful in being approved.

Sincerely,
Charles Eckstine

Return: 1. Completed application from each person 18 yr. and older to reside in unit
2. \$25.00 application fee per applicant (no personal checks accepted)
3. Copy of photo id of each applicant
4. Copies of proof of income.
